To: Officers, Governors, Past Presidents, Chapter Presidents and Members

Dear Fellow Chians,

The "Chios Societies of America and Canada, Inc." invites all fellow Chians and their friends to the **52nd National Chian Convention, October 26-29, 2006** at the Santa Clara Marriott, Santa Clara, California (San Francisco Bay area). "Agia Markella," the Chian Society of California is organizing this year's convention and activities (Please review the enclosures for details).

Member societies are reminded to pay their dues prior to the General Assembly meeting on Saturday, October 28, 2006. For those who are unaware, the increase of membership dues to \$7.00 (per person) resulted from the resolution at the 49th Chian Convention, 2003 in Chios. Those applying for scholarships should submit the enclosed form to Supreme President, Dimitrios Kontolios, or Supreme Secretary, Yiannis Kontolios, no later than one month before the meeting. Eligibility mandates that parents should be members of a Chian society.

Please contact **Stamatis Tsatsaronis** at **209-622-6466** or **Nick Pries** at **408-978-0824** for questions about the convention or Commemorative Journal (see enclosure), and **Despina Poulos** at **415-467-0819** for questions about the excursions to the winery and San Francisco. For hotel reservations, phone the Santa Clara Marriott directly at 408-988-1500. Remember to mention "**Chian Society**" to receive the \$90 group rate, in effect until September 30, 2006. The \$90 rate includes up to 4 people in a room (To stay extra nights at the same rate, please ask the representative to have their supervisor approve the special price, if they have any difficulty with the request).

All of us on the Supreme Lodge and Board of Directors are sincerely looking forward to bonding with our family of Chiotes and our friends at the **52nd National Chian Convention**. Please be a part of this wonderful tradition that continues to promote our common ideals for the betterment of Chians everywhere. Have a joyous summer!

Regards to all,
